

Sex Work: Women's Realities, Issues, and Challenges for Service Providers

Keynote speaker: *Chris Bruckert, Professor of Criminology, University of Ottawa*

Do you provide services to sex workers?

Are you looking for ways to improve your outreach services and interventions with sex workers?

Regional HIV/AIDS Connection, Middlesex London Health Unit and My Sister's Place invite you to this training opportunity. Join us to:

- Demystify sex work
- Gain awareness of societal perceptions of sexuality and the effects of stigmatization on the lived experiences of sex workers
- Understand the needs of sex workers with regards to services
- Develop skills to intervene with sex workers in diverse settings

Date: October 7th, 2011

Time: 9am-4.00pm

Location: St. Joseph's Hospital Auditorium

Open to all agencies that work with sex workers in some or all sectors of the industry.

Lunch and refreshments will be provided. **Registration fee \$40.00**

Please register with Bonnie Baynham: bbaynham@hivaidsconnection.ca
or Erica.Zarins@mlhu.ca

Registration deadline: September 30, 2011 at 4 p.m.
